

The Flyer

A Barn Owl Trust publication for Owlets - Junior Friends of the Trust Issue: 38 AUTUMN 2015

Welcome to the Autumn 2015 edition of The Flyer! In this issue, we have some great Autumn activities to get you out and about enjoying this beautiful time of year. On the back you will find a Barn Owl jigsaw to complete! Just stick the page onto a piece of card (a recycled cereal packet is great for this) and cut out the pieces. See how quickly you can complete it. Be warned - it's not as easy as you might think!

Autumn Colours!

Spotlight on Baley

Baley is our education owl. He goes out with Jo to visit schools during our Wings of Change sessions.

Baley is 9 years old and was born at the Trust. He is a beautiful Barn Owl with lovely pale feathers that show he is a boy. When he's not out visiting schools with Jo, he likes to roost on his hanging pole standing on one leg!

You can adopt Baley or any of our sanctuary Barn Owls. Visit the website to find out more!

Autumn Colours!

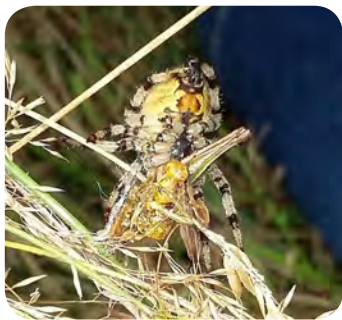

Autumn is fast approaching and soon the leaves on the trees will be turning beautiful shades of golds, reds and oranges. This is a great time of year to get outside and explore the countryside and we have a fun activity for you to do whilst you're out!

You will need:

- Leaf template
- Recycled cereal packet
- Double-sided sticky tape

Stick the leaf template opposite onto your cereal packet and cut around the shape. Now add strips of double-sided sticky tape to your leaf shape. Don't peel off the top layer of the tape until you are ready to start sticking.

Head out into your local park or woods and see how many different colours and shades of leaf you can find! Rip small pieces off each different coloured leaf and stick it onto your shape. Try to use leaves that have already fallen off a tree if possible but don't forget all the green shades on the evergreens too!

Look at this cool photo of a European Garden Spider devouring a grasshopper taken during our Family Mini Beast Safari. We had a great afternoon walking around the Lennon Legacy Project field and through the woods looking for bugs.

Prepare to be spooked at our next family event! Our Halloween night is on 29th October, 5pm to 7pm. Take a look at the website for more details.
